10. (Unclassified - RLB) LEGISLATION Spoke with Robert Carlstrom, OMB, regarding our proposed firearms legislation. I told Mr. Carlstrom that two words in a proposed amendment to our firearms proposal language, which was contained in a letter to Mr. Carlstrom of 13 April 1978, had inadvertently been dropped but that they were entirely consistent with the existing language. Mr. Carlstrom had no objection to our including them in the final language we were preparing to forward to the Congress with the approval of OMB.

11. (Unclassified - GMC) LIAISON Took a call from Murray Dry, on the personal staff of Representative Lee H. Hamilton (D., Ind.). Dry said that in connection with hearings to be held by the Subcommittee on Europe and the Middle East, House Committee on International Relations, Representative Hamilton would like to have any unclassified publications we could make available on the subjects of terrorism, Eurocommunism, and European governments in general or in particular. I told Mr. Dry that we would be in further contact with him shortly. I transmitted this request to [redacted] of OLC, for handling.

12. (Unclassified - ABS) FOIA Don, in the office of Representative Hamilton Fish (R., N.Y.), called on behalf of a constituent who was requesting any material on activities of CIA on Dutchess Community College campus in Poughkeepsie, New York during the 1960's. I provided Don with the appropriate address for IPS Coordinator [redacted] STAT

13. (Unclassified - RSG) LIAISON Received a call from Georgia Camp, in the office of Senator Strom Thurmond (R., S. Car.), who requested a briefing on the Agency for a group of constituents. Later in the day, I advised Camp that a briefing was scheduled for 3 May, from 2:00 p.m. to 4:00 p.m. on the Hill.

✓ 14. (Unclassified - RJK) LIAISON Spoke with Roger Mott, on the staff of Representative Samuel S. Stratton (D., N.Y.), and gave him an unclassified rundown on the Korean plane downed in the Soviet Union. He indicated that he would pass the information on to the Congressman and be back in touch with us if he needed anything further.

25X1 18. [ ] LIAISON Met with Martha MacDonald, Senate Select Committee on Intelligence staff, and set up a meeting between the Director and Senator Birch Bayh (D., Ind.), Chairman, Senate Select Committee on Intelligence, for 24 April at 2:00 p.m.

25X1 19. [ ] LIAISON Called Audrey Hatry, Clerk, Senate Select Committee on Intelligence staff, and Pat Norton, also of the Committee staff, and received from them the schedule of Committee meetings for next week.

25X1 20. [ ] LIAISON Called Stan Taylor, Senate Select Committee on Intelligence staff, and requested that he arrange for me to get a large number of Senate gallery passes from Senator Jake Garn's (R., Utah) office. I later picked these up.

25X1 21. [ ] LIAISON Called Martha MacDonald, Senate Select Committee on Intelligence staff, and arranged for [ ] C/CCS/DDO, to meet with Bill Miller, Committee Staff Director, and Mike Epstein, of the Committee staff, at 11:00 a.m. on 24 April regarding Agency association [ ] a former Agency employee. 25X1

25X1 22. [ ] LIAISON Called Sandy Spector, of the staff of the Subcommittee on Energy, Nuclear Proliferation and Federal Services, Senate Governmental Affairs Committee, to inform him I had run into some clearance problems regarding his request for a briefing on a 1957 apparent nuclear accident in the Soviet Union. I told him I hoped we would be able to help him but that I had to do more checking. He gave me the name of a man at ERDA whom he had originally contacted about this request.

25X1 23. [ ] LIAISON Met with Dick Kaufman, General Counsel, Joint Economic Committee, to inform him that none of the recent Agency unclassified studies dealt with the Middle East. I also delivered to Kaufman a letter from Lyle Miller, Acting Legislative Counsel, to Senator William Proxmire (D., Wis.) regarding the Subcommittee on Priorities and Economy in Government request for data on the Agency's work on the Soviet economy.

*USSR*

The Soviets have been working on the basic technology of lasers as long and extensively as has the US. The Soviets have the expertise, manpower, and resources to develop almost any type of laser that the US could develop. They are conducting basic research on all the high energy laser types that have the potential for future weapons applications.

The Soviets have two world renowned<sup>ed</sup> laser scientists, Alexandr Prokhorov and Nikolai<sup>y</sup> Basov, who direct large groups of scientists conducting high energy laser research. Prokhorov, Basov, and a US scientists<sup>y</sup> shared the Nobel Prize in Physics in 1964 for the development of the laser.

.s I already mentioned to you, I don't think this  
is worth sending to Rep. Symms. Please let me know if  
you think differently.

Thanks..
